RESOLUTION

SUBJECT: Payette River Technical Academy

WHEREAS, Emmett School District students need high-end professional technical programs for students; and

WHEREAS, Emmett School District has entrusted all of our Professional Technical Programs to Payette River Technical Academy; and

WHEREAS, Virtually every student working through the Career Pathways system at Emmett High School will take at least one course from Payette River Technical Academy; and

WHEREAS, The “operation of Payette River Technical Academy will serve as a benefit to both the Emmett School District and Payette River Technical Academy,” (PRTA Charter); now, therefore, be it

RESOLVED, That the Emmett School Board and District Superintendent appreciate the programs and efforts of Payette River Technical Academy. We fully support the continued operation, and development of professional technical programs, as well as the improvement of both programs and facilities.
